

## SOHORAID SR4 Series

### Hardware RAID 5 Storage supports 4-Bay 2.5"/3.5" SATA III HDD/SSD

USB Type-C interface, compatible with USB Type-C and Type-A host interfaces.

SOHORAID SR4 Series (SR4) is an external hard drive storage system with RAID 0/RAID 5/JBOD functions, supporting four 3.5-inch or 2.5-inch SATA hard drives or SSDs; the new touch button design is convenient for setting and switching power supply, USB PD function can charge for laptop or smart phone, and the Display port allows users to expand the second screen. The overall design follows the excellent industrial design concept of STARDOM, with a strengthened aluminum alloy appearance and a hard drive tray module, which perfectly integrates data protection and mobile convenience, and is suitable for use in various creative applications.

#### Features

1. Newly touch buttons design
2. LCD screen is convenient for system monitoring
3. Applicable to USB Type-C and USB Type-A host interfaces
4. Support hardware RAID 0/5/JBOD
5. The Display port supports the expansion of a second display
6. 24W USB PD supports laptop and mobile phone charging
7. Support four 3.5" or 2.5" SATA HDD/SSD, and hot-swappable
8. Aluminum chassis design, strong and fast heat dissipation
9. Smart fan and buzzer adjustment function
10. Available for macOS and Windows

## Touch Buttons Design

The newly exterior of SR4 is designed with the touch button for power and setting function for the user friendly. Firstly User just need to turn on the power switch on the backplane and can touch power on and off the device for ease use at all the times. It also has the special design on the power-off mode to avoid the users accidentally touch the power and the device shut down immediately. All features make SR4 is not only a more safety product but also has the elegant outlook.

## Hot-swappable Disk Tray, supports 3.5"/2.5" Disk

Comes with easy-to-use disk tray, SR4 supports most 3.5"/2.5" disk (both HDD and SSD) on the market. Under RAID 5 mode, when one disk failure, user just need to hot-swap out the failure disk and replace a new one back even the SR4 is power on. It's easier for user to maintain the SR4.

\* Spare disk tray is available

## Compatible with USB Type-C and Type-A Hosts

SR4 comes with one USB Type-C interface, but not every PC/Mac comes with USB Type-C interface too. Therefore, based on the model, STARDOM provides two kinds of USB cables, one is USB Type-C to Type-C cable and the other is USB Type-C to Type-A cable, or both. User can choose which SR4 to buy based on what host interface he/she has, no need to buy a adapter or other cable.

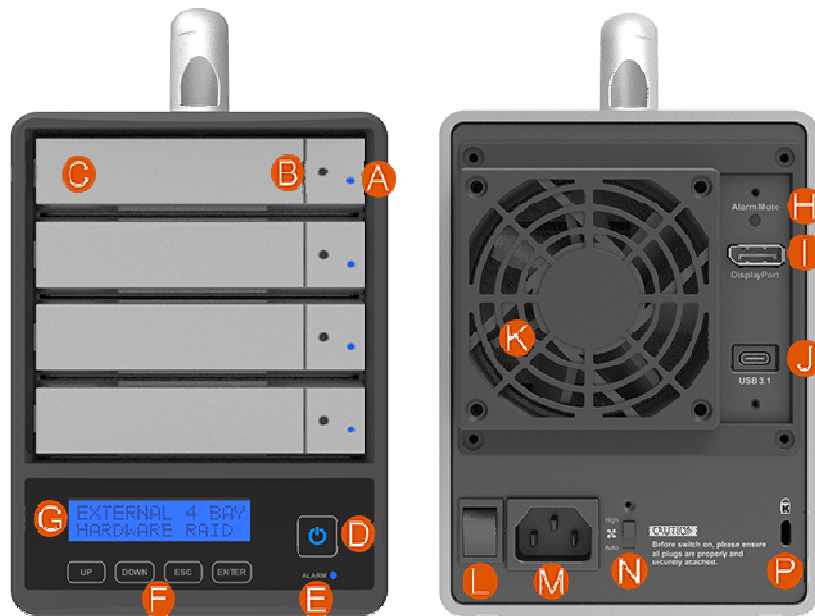

## User-friendly Display

STARDOM equipped with clear readable LCD display and LED indicators for system monitoring during operation so users can easily grasp the status of the system at all times. Moreover, it comes with visual and audio alarms whenever failure occurs.

## Product Appearance Description

A. HDD Status Indicator LED  
 B. HDD Tray Key Lock  
 C. HDD Tray  
 D. Touch Power  
 E. Alarm indicator  
 F. Touch Setting Button  
 G. LCM Display

H. Mute Button  
 I. DisplayPort x1  
 J. USB 3.1 Gen 1 Type-C Port x 1  
 K. Cooling Fan  
 L. Power Switch  
 M. Power Socket  
 N. Fan Switch  
 O. Kensington Security Slot

<b>Interfaces</b>	1 x USB 3.2 Gen1 USB-C (5Gbps) 1 x Display port(DP1.1a) * USB-C support 5V/3A(15W) 、9V/2A(18W)與 12V/2A(24W) charging * USB PD charging and Display function need to be used with USB Type C to C cable and host need support these functions.				
<b>Compatible Drive</b>	4 x 3.5" or 2.5" SATA III(6Gbps) HDD/SSD				
<b>Certification</b>	CE / FCC				
<b>RAID Mode</b>	RAID 0/5/JBOD				
<b>Operation System Support</b>	Windows 7 or above, macOS 10.10 or above				
<b>Cooling Fan</b>	1 x 8cm low noise fan				
<b>Electrical and Operating Requirements</b>	*Line voltage: 100-240V, AC *Frequency: 50Hz to 60Hz, single phase *Operating temperature: 0°to 40°C (32°to 104°F) *Storage temperature: -20°to 47°C (-4°to 116°F) *Relative humidity: 5% to 95%, no condensing				
<b>Dimension</b>	Height: 168 mm Width: 125 mm Depth: 212 mm
