

ST2-TB THUNDERBOLT™

Up to **16TB**

Big storage for video & photo.

Thunderbolt 2.

The fastest, most versatile I/O in any desktop. Of any size.

UP TO
25x
FASTER THAN
FIREWIRE 800

Thunderbolt 2 technology in ST2-TB is phenomenally fast. The two Thunderbolt 2 ports on ST2-TB features dual 20-Gbps channels for data transfer and that's up to four times faster than USB 3.0. But beyond speed, Thunderbolt gives you unprecedented expansion capabilities. You can daisy-chain as many as six Thunderbolt devices to a single port.

The ST2-TB built-in with two disk configuration modes: RAID 1 (Safe Mode), RAID 0 (Speed Mode), and JBOD (Two Independent Volumes) for you to choose according to your needs.

JBOD Mode

JBOD function provides two independent disk data access convenience

In this mode, you can install two disks that have different volumes and use them independently. There is no RAID configuration and without special safety or speed differences. You can also use this mode in apply with other STARDOM modules.

RAID Mode 0

RAID 0 functionality increases storage speed and performance

The new ST2-TB is equipped with RAID 0 storage mode, which enables user to attain up to 724MB/s read speed with ST2-TB's Thunderbolt transmission interface. Whether it is used for searching and editing photo galleries, or video editing and synthesis, it promises to deliver a smooth and easy operation.

RAID Mode 1

The RAID 1 function provides fully automatic backup that ensures data security

To maximize data protection. Data is written identically to both drive (Mirror) simultaneously. In the event of a drive failure, the second drive will take over. RAID 1 provides the highest level of protection in hard drive storage.

Thunderbolt 2 With ST2-TB

Stylish and rugged

The ST2-TB has a sleek exterior design that'll never go out of style when placed next to your Mac. It's also built tough with three millimeter thickness aluminum to shield the enclosed drives durably and to dissipate the heat created by the drives faster for the drives to work comfortably.

Removable design, use multiple hard drives flexibly

The ST2-TB is a quadruple drive storage enclosure system that supports the latest 3.5" and 2.5" SATA hard drives to deliver high-capacity data storage solutions. Featuring flawless structural design, optimized internal configuration, and a durable aluminum casing to protect your internal drives, the ST2-TB is perfect for creative and highly mobile professionals.

Environmentally friendly

ST2-TB is made from highly recyclable aluminum and it is also free of many harmful toxins which commonly present in the desktop computer manufacturing process.

Advanced power management.

ST2-TB is made from highly recyclable aluminum and it is also free of many harmful toxins which commonly present in the desktop computer manufacturing process.

To help you complete your photography projects

With two ultrafast Thunderbolt 2 ports, you can build a photo studio around iMac and ST2-TB. Or take them with you and import thousands of RAW images on location. Once your photos are on your computer, editing in Aperture is faster and more responsive than before.

ST2-TB's RAID 0 mode lets you quickly browse large image libraries from external storage. So you have instant access to any photo in your library.

ST2-TB Specification

Product Views

- A. Hard drive status indicator
- B. Removable drive tray
- C. Key access opening
- D. Power Switch
- E. Power socket
- F. Thunderbolt
- G. RAID Switch
- H. RESET Hole

Specification	
Model No.	ST2-TB
Interface	Thunderbolt 2 Port x 2 (up to 20 Gbps)
Compatible Drives	2 x 3.5" /2.5" SATA HDD/SSD (up to 6 Gbps) / Support large volume up to 8TB
Storage Mode	2 x Independent (JBOD) / RAID 0 / RAID 1
Electrical and Operating Requirements	<ul style="list-style-type: none">* Line voltage: 100-240V AC* Frequency: 50Hz to 60Hz, single phase* Maximum continuous power: 60W* Operating temperature: 50° to 95° F (10° to 35° C)* Storage temperature: -4° to 113° F (-20° to 45° C)* Relative humidity: 5% to 95% noncondensing
Cooling System	4 cm Low noise fan
Product Size and Weight	Height: 122 mm Width: 63 mm Depth: 244 mm Weight: 1.2 kg
Product Code	EAN : 4711132864359 UPC : 884826500339
Carton	8 pcs per carton
Package Accessories	<ul style="list-style-type: none">* ST2-TB Product Unit x1(Removable Tray x2)* Thunderbolt Cable x 1* Power Cord x1* CD x1* Foot Pad x4* AC/DC Adapter x1* Quick Installation Guide x1
